

# Mentor Application

Mentoring is a specific relationship between two individuals based on engagement to the mentoring process, shared partnership aims, and mutual trust and respect.

Mentoring is a "get and give" engagement that aims to provide both parties with a full and satisfying experience. We need your information so that the program manager can connect you with a mentoring partner. Before you are assigned to work together, you and your suggested mentee will have the option to agree on the pairing.

Name: \_\_\_\_\_
